BUMP TO BABY COLLECTION

Welcome

First of all, congratulations on your pregnancy and I'm so excited that you are interested in my work! Finding a photographer to capture these sweet moments is no easy task. That's why I'm hoping to make your job easier by sharing a little bit more about myself and my style so you can determine if we are a good fit!

I hope you take a chance to review this guide. Once you are finished and you think we would be a good fit, reach out to me and let's talk more about your vision for your sessions.

Amanda Fogarty

LIVE PASSIONATELY. DREAM ENDLESSLY. LOVE COMPLETELY

Hi! I'm Amanda, the photographer behind A.Fogarty Photography. I'm a young creative who has an extreme passion for love and life. Upon starting photography I knew that I wanted to photograph people.

Their emotions and interactions - their stories. Brining new life into this world is one of life's most beautiful stories.

My approach to maternity, newborn, and family sessions is natural and organic.

No crazy posing or props. I prefer to capture your family where you are most comfortable - in your home or outside, so that you can laugh, play, snuggle, and be still.

I would be deeply honored to capture these precious moments in your life.

Bump to Baby Collection

From maternity to motherhood - the "firsts" in your child's life journey deserve to be photographed. These are precious moments you should be able to remember forever. I want to document your story - from bump to baby.
